ITL Conference 2002 - Hypermedia Monday - Tuesday, March 18 - 19 Chicago Circle Center, East campus

To view presentation materials please click on a present name.

Conference Program - Monday

9:30 - 10:30am **Keynote: The Good News and the Bad News about Online Pedagogy**

Ed Garay

Director of Instructional Technology Lab

John R. Regalbuto

Associate Professor, Chemical Engineering

10:45 - 12:15pm **Morning breakout sessions**

(1) Where Do I Start? First Steps to Developing a Blackboard CourseInfo Course Site

Josh Naylor, Instructional Technology Lab

Mary Lou Bareither, Kinesiology

Sharad Laxpati, Electrical and Computer Engin

Jane Marone, Kinesiology

Randal Stone, Kinesiology

(2) Digital Video Applications in the Classroom: Using Videoconferencing, Streaming PowerPoint, RealAudio, and RealVideo; Using CD-ROMs, DVDs, and Other Multimedia

Ed Garay, Instructional Technology Lab

Noshir Contractor, Speech Communication, U of Illinois at Urbana-Champaign

Robert Folberg, Pathology

(3) Developing and Using Rich-multime

Learning Modules

Ed Campbell, Instructional Technology Lab

Paul R. Young, Chemistry

Francis R. Schlemmer, Pharmaceuticals and Pharmacodynamics

(4) Creating Course Materials for the Web: Authoring with Dreamweaver — Par (hands-on workshop)

Patrick Murphy, Instructional Technology Lab

(5) Blackboard CourseInfo: Tips & Tricks More Advanced Topics (hands-on workshop)

Volker Kleinschmidt, Instructional Technology

12:30 - 1:30pm Lunch (RSVP required) — Illinois Rooms , 3rd Floor, CCC

1:45 - 3:15pm Afternoon breakout sessions

(1) Second Steps to Developing a Blackboard Course Site: Adding More Content to your Course Site; Using the Online Gradebook, Online Assessments and Discussion Forums

Josh Naylor, Instructional Technology Lab

Darold Barnum, Managerial Studies

Janet L. Engstrom, Maternal Child Nursing

(2) Good Web Design, Usability and Web Accessibility: Designing Hypermedia for Everyone — Panel

Ed Garay, Instructional Technology Lab

Joy Maria Hyzny, Disability Services

Allyson Meyer, Chicago Field Museum

Thomas G. Moher, Computer Science

(3) Engaging Your Students: Providing a Rich and Interactive Environment for Active Learning, Critical Thinking, Communication and Collaboration

Volker Kleinschmidt, Instructional Technology

Mark H. Gelula, Medical Education

Jane N. Hagstrom, College of Business Administration

(4) Creating Course Materials for the Web: Authoring with Dreamweaver — Par (hands-on workshop)

Patrick Murphy, Instructional Technology Lab

(5) Preparing Class Materials with PowerPoint (hands-on workshop)

Karin Riggs, Instructional Technology Lab

Conference Program - Tuesday

9:30 - 10:30am **Keynote: "Even a Rookie Can Do It"**

Helen Roberts

Assistant Professor, Economics

10:45 - 12:15pm **Morning breakout sessions**

(1) Using Blackboard CourseInfo and Other Computer Technology for On-campus Instruction

Ernie Duran, Instructional Technology Lab

Maryann H. Albrecht, Managerial Studies

Louanne I. Smolin, Education

Mary Beth Watson Manheim, Information and Decision Sciences

(2) Facilitating Learning with a Plethora of Educational Hypermedia and Multimedia Courseware

Ed Campbell, Instructional Technology Lab

Ugo A. Buy, Computer Science

Andrew L. Carney, Orthopaedic Surgery

Robert Paul Malchow, Biological Sciences

(3) Teaching Online: Planning, Developing and Offering Pedagogically Sound Learner-centered Distance Education Programs over the Internet — Panel

Ed Garay, Instructional Technology Lab

Kate Pravera, Urban Planning, Great Cities Institute

Piergiorgio L. E. Uslenghi, Electrical and Computer Engineering

Annette L. Valenta, School of Biomedical Health Information Sciences

(4) Setting-up a Blackboard CourseInfo Course Site (hands-on workshop)

Karin Riggs, Instructional Technology Lab

(5) PowerPoint Tips & Tricks, and More

Advanced Topics (hands-on workshop)

Patrick Murphy, Instructional Technology Lab

(6) Macromedia Web Solutions: What's with Dreamweaver, Fireworks, Flash Director, Dreamweaver UltraDev and ColdFusion

Chris Wigginton, Macromedia, Inc.

12:30 - 1:30pm **Lunch (RSVP required) — Illinois Rooms , 3rd Floor, CCC**1:45 - 3:15pm **Afternoon breakout sessions****(1) Complementing Face-to-face On-campus Instruction with Class Materials on the Web**

Ed Campbell, Instructional Technology Lab

Walter Edelberg, Philosophy

John M. Hagedorn, Criminal Justice

Karen R. Patena, School of Biomedical Health Information Sciences

(2) Using Mathematics on the Web and Computer Technology to Facilitate Learning

Ernie Duran, Instructional Technology Lab

Steven L. Jordan, Math, Statistics, and Computer Science

Jeffrey E. Lewis, Honors College, Mathematics Statistics, and Computer Science

Clifford E. Tiedemann, Anthropology

(3) Faculty Development: Helping the Faculty Redesign and Publish Substantial Course Materials Online — Panel

Ed Garay, Instructional Technology Lab

Steve Acker, Technology Enhanced Learning at Research, Ohio State University

Lanny Arvan, Center for Educational Technology, University of Illinois at Urbana-Champaign

Kathy Christoph, Academic Technology Solutions, University of Wisconsin-Madison

John T. Harwood, Education Technology Services, Penn State University

Molly Langstaff, Academic Technologies, University of Iowa

Howard J. Strauss, Academic Services, Princeton University

(4) Setting-up a Blackboard Course

Course Site (hands-on workshop)

Karin Riggs, Instructional Technology Lab

**(5) Creating Course Materials for the Web
Authoring with Dreamweaver — Par
(hands-on workshop)**

Patrick Murphy, Instructional Technology Lab

**(6) Adobe Web Solutions: Web Graphics:
Photoshop 7; Web and Flash Author
with GoLive 6 & LiveMotion 2**

Adam Pratt, Cross Media Products, Adobe Systems

 Participating Faculty and Special Guests

- **Steve Acker**, Technology Enhanced Learning and Research, Ohio State University
- **Maryann H. Albrecht**, Managerial Studies
- **Lanny Arvan**, Center for Educational Technologies, University of Illinois at Urbana-Champaign
- **Mary Lou Bareither**, Kinesiology
- **Darold Barnum**, Managerial Studies
- **Ugo A. Buy**, Computer Science
- **Andrew L. Carney**, Orthopaedic Surgery
- **Kathy Christoph**, Academic Technology Solutions, University of Wisconsin-Madison
- **Noshir Contractor**, Speech Communication, University of Illinois at Urbana-Champaign
- **Walter Edelberg**, Philosophy
- **Janet L. Engstrom**, Maternal Child Nursing

- **Robert Folberg**, Pathology
- **Mark H. Gelula**, Medical Education
- **John M. Hagedorn**, Criminal Justice
- **Jane N. Hagstrom**, College of Business Administration
- **John T. Harwood**, Education Technology Services, Pennsylvania University
- **Joy Maria Hyzny**, Disability Services
- **Steven L. Jordan**, Math, Statistics, and Computer Science
- **Molly Langstaff**, Academic Technologies, University of Illinois
- **Sharad Laxpati**, Electrical and Computer Engineering
- **Jeffrey E. Lewis**, Honors College, Mathematics, Statistics, and Computer Science
- **Robert Paul Malchow**, Biological Sciences
- **Jane Marone**, Kinesiology

- **Allyson Meyer**, Chicago Field Museum
- **Thomas G. Moher**, Computer Science
- **Karen R. Patena**, School of Biomedical Health Informatic Sciences
- **Adam Pratt**, Cross Media Products, Adobe Systems
- **Kate Pravera**, Urban Planning, Great Cities Institute
- **John R. Regalbuto**, Chemical Engineering
- **Helen Roberts**, Economics
- **Francis R. Schlemmer**, Pharmaceuticals and Pharmacodyr
- **Louanne I. Smolin**, Education
- **Randal Stone**, Kinesiology
- **Howard J. Strauss**, Academic Services, Princeton Univer
- **Clifford E. Tiedemann**, Anthropology
- **Piergiorgio L. E. Uslenghi**, Electrical and Computer Engineering
- **Annette L. Valenta**, School of Biomedical Health Informa Sciences
- **Mary Beth Watson Manheim**, Information and Decision Sciences
- **Chris Wigginton**, Macromedia, Inc.
- **Paul R. Young**, Chemistry
